

ABOUT THE EVENT

What is KIDS CAN'T WAIT?

KIDS CAN'T WAIT: 30 Day Miracle Movement is a 30-day challenge that kicks off on Friday, Oct. 14 and concludes on Saturday, Nov. 12.

Throughout the 30 days, we will host various activities and share creative ways you can help us fundraise—including **Team Hopkins Kids**, **Baltimore Boogie**, creating a Facebook fundraiser, joining our virtual wine tasting, or participating in a pop-up activity like a fitness class.

Whether you've previously participated, volunteered, made a donation, or this is your first time getting involved, we're sure there's something you'll love.

The Impact

When you register, you can choose to support any area of the Children's Center. There is no registration fee, but there are varying fundraising minimums depending on your registration option. You will also receive a limited-edition tech shirt when you raise \$100, plus additional incentives the more you raise for our kids!
